

“Blooming Letters” with Els van den Steen

Saturday June 25th, 10-4pm

Cost: members £25/non-members £30

**Venue: Heene Community Centre,
Worthing**

In this workshop, we will create colourful letter designs that are perfect on their own or can be used as a decorative letter as part of a larger calligraphic piece.

We will design our own letters, exploring monoline and edged pen letter variations. Next, we will provide our letters with a colourful background using watercolours. Our colour palette is inspired by wildflowers and flowers from our own garden.

This workshop offers an opportunity to develop confidence in letter design and designing decorative backgrounds, colour mixing and matching, and selecting colours that work well together, all in a fun way.
